United Millers Ltd

We have recently reviewed the exam results for Module 6, and it has come to our attention that the exam may not have been the best representation of your knowledge and abilities. We recognise that various factors might have contributed to this outcome, and we want to ensure that every student has a fair chance to demonstrate their understanding of the material.

In light of this, we are offering an opportunity for you to retake the exam. Should you wish to retake contact training@ukflourmillers.org prior to 19th July 2024.

We encourage all students who feel that their performance on the initial exam does not reflect their true capabilities to take advantage of this opportunity. Our goal is to support your academic success and ensure that you are assessed fairly.

Thank you for your understanding and cooperation. We are committed to providing you with the best possible learning experience and assessment.
